

**RootsMagic 7
Beginners' Workshop (All Day)
25 April, 2018**

2745 Eastern Ave, Sacramento FamilySearch Library

Beginning April 2018, the RootsMagic Beginners Workshop will now be offered quarterly as an all day workshop following the same topics of the prior monthly Beginner Classes.

This will be a good opportunity to be introduced to RootsMagic or review and refresh topics on using RootsMagic Version 7, Essentials or the Paid Version. Students are welcomed to attend any or all the Sessions listed below.

Each session will end with a Q&A session. A 45 minute break and 10 stretch breaks are included in the schedule. Session 3 will end with an extended 1-1 training period for those individuals that need extra help. (LDS ordinate handling is not included).

You can bring your powered laptop, files, RootsMagic 7 USB 2-Go to the class. The Training Room computers may not be available for use.
